```
graph BT; A["quetzal/include/quetzal/quetzal.h"] --> B["quetzal/include/quetzal/geography.h"]; B --> C["quetzal/include/quetzal/geography/DiscreteLandscape.h"];
```

A vertical flow diagram showing the inclusion of headers. At the bottom is a box for 'quetzal/include/quetzal/quetzal.h'. An upward-pointing blue arrow connects it to a middle box for 'quetzal/include/quetzal/geography.h'. Another upward-pointing blue arrow connects the middle box to a top box for 'quetzal/include/quetzal/geography/DiscreteLandscape.h'. The top box has a gray background, while the others are white.
