

quetzal/include/quetzal
/demography/PopulationSizeOptimized.h

```
graph TD; A["quetzal/include/quetzal  
/demography/PopulationSizeOptimized.h"] --> B["../utils/PointWithId.h"]; A --> C["vector"]; A --> D["assert.h"]
```

The diagram illustrates the include dependencies of the file `quetzal/include/quetzal/demography/PopulationSizeOptimized.h`. Three blue arrows point from the bottom of the top box to the three boxes below it, indicating that the top file includes the three files listed in the bottom boxes.

../utils/PointWithId.h

vector

assert.h
